

Our aim is to promote good seamanship and safety at sea.

We encourage members to join club rallies and our shore-based events to gain and share experience.

Our rallies take us along the South Coast, to the Channel Islands and across the channel to France.

We have what we believe are the best value membership fees on the South Coast.

Why not join today by going to our website at [www.newhavenyc.org.uk](http://www.newhavenyc.org.uk) and complete an application form.
